IMPORTANT INFORMATION REGARDING FEI TESTS

All tests reviewed by an FEI judge are for training purposes only.

These tests will not be eligible to any prizes from our sponsors.

The results will be sent directly to the rider - no results will be published on our website or on Equipe Online.

These tests will not be counted in the ranking of the Online Dressage Tour.

If you ride an FEI test and still wish to be part of the Online Dressage Tour you can submit your video twice. Once to the FEI Judge for training purposes, and once to the National Judge. The results from the National judge will count towards the Online Dressage Tour and you will be eligible to win prizes.
